DRAUF

**Wohlfahrtsmarken
helfen.**

The advertisement features a portrait of an elderly woman with short, wavy white hair and a gentle smile. She is wearing a vibrant pink polo shirt. She holds a white rectangular sheet in front of her chest with her right hand. On this sheet are three postage stamps, each depicting a different scene of animals (possibly dogs or cats) in various settings. The background is a solid, warm orange color. The text 'ZEIG WAS DU DRAUF HAST!' is written in large, bold, pink capital letters with a white outline, positioned to the right of the woman's head. Below the stamps, the text 'Wohlfahrtsmarken helfen.' is written in the same pink, bold font.
